

# Letter S Tracing Worksheet

Trace the letter s, then write your own

A large, solid black uppercase letter 'S' is positioned on a set of three horizontal handwriting lines: a solid top line, a dashed middle line, and a solid bottom line. The letter starts with a dot at the top right and curves to the left, then back to the right, and finally curves back to the left to end at the bottom line.A dotted uppercase letter 'S' is positioned on a set of three horizontal handwriting lines: a solid top line, a dashed middle line, and a solid bottom line. The letter starts with a dot at the top right and follows the same S-shaped path as the solid letter above.A dotted uppercase letter 'S' is positioned on a set of three horizontal handwriting lines: a solid top line, a dashed middle line, and a solid bottom line.
